This application is required by Act 451, P.A. 1994, as amended, which states in part:

**Ionia County, T5N, R6W, Section 12, Subsection NW 1/4, N 1/2.** (This describes the northwest quarter of the north half of section 12 of township 5 north and range 6 west in Ionia County).

The compiled list will be provided to commercial pesticide application firms that are licensed in agricultural, right-of-way or aerial application categories in order to allow them to identify these sensitive areas and take the appropriate precautions necessary to prevent pesticide drift.
